## 2<sup>nd</sup> Annual Play Ball NPHC of Greater Cleveland Co-Ed Greek Softball Tournament

We want to send a huge shout out to the members of Phi Beta Sigma Fraternity, Inc. and Zeta Phi Beta Sorority, Inc. who participated in this year's co-ed softball game. This year's event, thanks to Ward 7 Councilman (and member of Alpha Phi Alpha Fraternity, Inc.) Basheer Jones was held at Historic League Park in the Hough neighborhood on Sunday July 8<sup>th</sup>, 2018. Our team "Constitutionally Bound" would unfortunately lose to Coleman Love (Omega Psi Phi & Delta Sigma Theta) in the opening round but ended up beating "Indy" (Kappa Alpha Psi & Sigma Gamma Rho) in the 3<sup>rd</sup> place round.

This year's team was comprised of the following members of the Blue and White family:

Bro. Taurean R. Adams (Gamma Alpha Sigma)  
Bro. Jamie Taylor (Gamma Alpha Sigma)  
Bro. Steven Brown (Gamma Alpha Sigma)  
Bro. Joseph Lastery (Gamma Alpha Sigma)

Along with the games that took place, there were informational tables about each of the Divine Nine affiliate's present, vendors, food trucks, a DJ spinning tunes throughout the event, a chance to experience the League Park museum and, (the most significant item of all) each team that played that day made a \$500.00 donation to a different organization / cause taking place in the Ward 7 neighborhood.

Team Constitutionally Bound chose and presented the African House International Learning Center with their donation of \$500.00 to further aid them in their efforts. The African House International Learning Center located at 1695 E. 81<sup>st</sup> is a community based Learning Center established to keep the legacy of Dr. Willie R. Mackey (who was a co-founder, cultural artist and, employee of NASA as an astrophysics) alive by focusing on sustaining our arts, culture, solar and, other renewable energy technologies and provide health & wellness workshops / seminar in Northeast Ohio and abroad. Their other goals and visions include:

- Bring organizations, stakeholders and individuals together who are working to strengthen the inner city communities, families and youth at risk.
- Programs include mentoring, leadership development and team building skills.
- Inspire the next generation of Scientist, Technologist, Engineers, Artist and Mathematicians. Encourage critical thinking, communication, collaboration, and creativity.
- Exploration of career opportunities in the Environmental Sciences. Introduce communities to the Green Industry movement.

We want to give a special shout out to Bro. Jamie Taylor who served as Team Captain for Constitutionally Bound for this year's event. Bro. Taylor's sharing of tactics, advise and, experience in playing college baseball at Morehouse University during part of his undergraduate career was most helpful in assisting everyone during the practices that were had a month plus prior to the big game. Once again, thanks to all of Blue and White who came out to support as we look forward to not only doing even better next year and bringing home the 1<sup>st</sup> place trophy but playing for a worthy cause to give back to the community.

## Community Service @ University Settlement

We want to continue to thank the brothers, Sorors and all who come out month after month and assist in the efforts that take place every 4<sup>th</sup> Tuesday at University Settlement. We further encourage brothers to come out on that specified Tuesday around 5:30pm to join the others as we help out in handing out food from their food pantry and serving of their community meal to those who may or may not necessarily know where their next meal is coming from. Once again, thanks and hope to see you at the next community service event there. Here are a few shot from our last couple outings:

Once again thanks to all who came out and supported and we will see all at next year's event as we continue to mentor and support our next generation of leaders

## Undergraduate Chapter Updates

### Epsilon Epsilon Chapter / Kent State University

The brothers of the Mau Mau chapter are back on campus and back in action as the new school year begins. The brothers have already started to put together multiple plans in regard to events and outreach programs they plan to put on during the 2018-2019 school year. The chapter has already participated in their schools Greek Council Meet the Greeks which took place on September 11<sup>th</sup> and have already confirmed 3 individuals who have been vetted and ready to go through the M.I.P Process to become members of the fraternity.

We wish these brothers luck and much success as they prepare to continue to push the agenda of Phi Beta Sigma Fraternity, Inc. forward and be a positive force not only on their campus but in the community as well.

### Beta Nu Chapter / Cleveland State University

Newly initiated SPR18 member Bro. Jordan Banks has wasted absolutely no time in getting involved in the realm of Greek life not only at CSU but in Cleveland undergraduate NPHC life as a whole, as he looks to be part of the catalyst in getting the Beta Nu chapter back up off the ground and back into the light where it belongs. Bro. Banks along with Bro. William Woodson who also crossed SPR 18, through the Lambda Epsilon chapter at The University of Toledo who has graduated and moved back home to Cleveland and, their 6 Zeta sands from Cleveland State & Baldwin Wallace have formed a great bond and have multiple ideas to put Blue and White back on the map. The troop as a whole have participated in many events and will also be hosting their Blue and White Week (which hasn't been done in a few years) at the end of September.

*Bro. Jordan Banks with his Zeta sands and CSU Freshman during Freshman Move in Day*

*Bro. Jordan Banks hanging with his sands Bro. William Woodson in the courtyard at Cleveland State University*

We wish Bro. Banks and all the brothers of Sigma and Sorors of Zeta who will be directly and indirectly be a part of the grueling task to get Beta Nu back on its feet in the upcoming semesters. Stay tuned as the story unfolds as we attempt to re-ignite the flame of Sigma back at Cleveland State University.

## 12th Annual Kids in Need Resource Center & Fox 8 News “Stuff the Bus” School Supply Drive

*Bros. Ed Long, Marricio Wilson and son of Bro. Ed Long, graduated Sigma Beta and now sophomore at Morehouse College Tyson Long posing for the camera after dropping off over 100+ book bags at this year Stuff the Bus event at Fox 8 Studios in Downtown Cleveland*

On the morning of Tuesday August 7<sup>th</sup>, 2018 the brothers of the Gamma Alpha Sigma chapter participated in the 12<sup>th</sup> annual Stuff the Bus School Supply Drive hosted by Fox 8 News and Kids In Need Resource Center. The brothers of the chapter donated 100+ book bags stuffed with school supplies during the event.

The Kids In Need Resource Center bridges the gap between great need and available resources to provide school supplies to teachers and their students in Cleveland, Ohio. Each year, the Center receives more than \$1 million worth of nationally- and locally-donated supplies for distribution. Kids In Need relies on dedicated community members, companies and organizations who volunteer their time and resource to keeping shelves stocked and helping the teachers during shopping hours.

A huge thank you to all the brothers who helped us reach our goal this year as we look forward to doing even more in 2019.
