Phi Beta Sigma Fraternity, Inc. Beta Nu Chapter & Zeta Phi Beta Sorority, Inc. Psi Theta Chapter

We want to thank all the members of the Blue and White family who were able to come out and participate in Cleveland State University's Blue & White Week, hosted by the neophytes of the Psi Theta chapter of Zeta Phi Beta Sorority, Inc. and Beta Nu chapter of Phi Beta Sigma Fraternity, Inc. during the week of September 24<sup>th</sup>, 2018. Blue & White Week on the campus of Cleveland State University has not taken place in MANY years due to the inactivity of both chapters but with both collegiate chapters haven been given new life due to the perseverance of their overseeing / advising alumni chapters Gamma Alpha Sigma and Nu Theta Zeta, the blue and white spark is back on CSU's campus in the hopes that these new members of Sigma and Zeta are the first in a never ending line of new blood for both chapters. Here are a few pics from their events during the week:

## Community Service @ University Settlement

We want to continue to thank the brothers, Sorors and all who come out month after month and assist in the efforts that take place every 4<sup>th</sup> Tuesday at University Settlement. We further encourage brothers to come out on that specified Tuesday around 5:30pm to join the others as we help out in handing out food from their food pantry and serving of their community meal to those who may or may not necessarily know where their next meal is coming from. Once again, thanks and hope to see you at the next community service event there. Here are a few shot from our last couple outings:

## Meet the Greeks @ Baldwin Wallace

Members of the Divine Nine hosting  
Meet the Greeks @ Baldwin Wallace University

We want to thank the member of the Blue and White family who were able to support the SPR 18 neo's of Sigma and Zeta at Baldwin Wallace University's Meet the Greeks that took place on September 19<sup>th</sup>, 2018. A panel comprised of each of the divine nine organization gave a brief history on their organization, took place in Q & A session and, talk to individuals further during the social period of the event. Shout out to Bro.

William Woodson who sat on the panel representing the frat, giving his insights to what drew him to becoming a member of Phi Beta Sigma Fraternity, Inc., how it has affected his life and how he plans to move forward in the organization.

The Meet the Greeks events that most undergraduate NPHC's host during the beginning of the academic year are important events, especially for the individual who know nothing about Black Greek Lettered Organization and may be getting their first exposure to them via these type of events. We thank the brothers of Blue and White who participate in these events for being that positive first image to those initially exploring the idea of joining a divine nine organization and continuing to advocate for the fraternity in attempts to draw in new members.

Conversation and discussions were had ranging from MIP, membership, our 3 national programs and how to move the state of Ohio forward as a whole when it comes to our place not only in the region but in the fraternity as a whole. After all was said and done, brothers adjourned the meeting and circled up to sing the fraternity hymn. We thank those brothers of the chapter who took the time out of their busy schedules to see that not only the work of Sigma was attended to and completed but represent Gamma Alpha Sigma properly as the hosting chapter for this year's meeting. We hope to see double the number of attendees at next year's meeting and even more brothers from Gamma Alpha Sigma as we look to further our influence in the state and move the fraternity forward.
